

German Design Award 2017: Santiago
Special Mention for Tacchini!

Santiago, designed by Claesson Koivisto Rune
 Categories: Sofa, Armchair

It is our great pleasure to inform you that Tacchini won the German Design Award 2017 with the submission of *Santiago* armchair designed by Claesson Koivisto Rune. The jury of international experts has awarded Santiago with a “Special Mention” in the category “Furniture”: this is a distinction to works whose design features particularly successful subaspects or solutions. This year there were *more than 4,000 entries*. This is an award that honours Tacchini’s commitment!
