

## Sesann

Designer: Gianfranco Frattini  
Year: 2023

Together with the armchair and sofa already featured in a Tacchini re-edition in 2015, the Sesann ottoman continues the story of a vision of contemporary living that invites you to appreciate the beauty and welcoming of the most authentic comfort. A visible structure in metal tubing contains, envelops, and enhances the padding in a large, soft, and continuous embrace. The sensual and harmonious shapes born from Frattini's ingenious planning become unique in each piece thanks to the entirely handmade upholstery, available in a wide choice of colours and finishes.

#### Gianfranco Frattini

Gianfranco Frattini was born in Padua, Italy, on 15th May, 1926. He graduated in Architecture, at the Politecnico, Milan, in 1953. At the end of the 50's, he is one of the founders of ADI, Association for Industrial Design. Frattini opened his own studio in Milan, after working in the office of his teacher and mentor Gio Ponti. In few years, he became an industrial designer, well-known worldwide. Among his many successful projects, in 1956 designed the chair model 849, nominated for the "Compasso d'Oro" Prize. Now, this armchair, which takes shapes from the original design, is proposed by Tacchini with the name of "Agnese".
